Nordic eHealth 2016

The 21st Finnish National Conference on Telemedicine and eHealth

"Digitalization and Experimentation Culture"

14.-16.4.2016

M/S Mariella Helsinki-Stockholm-Helsinki

Welcome to participate the major Nordic telemedicine and eHealth event in 2016 cruising onboard M/S Mariella on the Baltic sea (Helsinki - Stockholm - Helsinki)

Conference will cover themes from updating the knowledge about Nordic eHealth trends and solutions. The latest development will be introduced with citizen empowerment and with new health care technologies.

The program is aimed at health care professionals and service providers. Conference offers unique meeting place and new information to physicians, nursing staff as well as to responsible persons for management, planning and education. Conference includes in Nordic eHealth Day three English speaking sessions and three Finnish speaking sessions and site visits.

Conference is arranged in collaboration with
Finnish Ministry of Social Affairs and Health and the Nordic Council of Ministers.

Welcome to listen, discuss and innovate!
